Benefits & Advantages of Propane powered Commercial Lawnmowers

PROPANE
EXCEPTIONAL ENERGY®

Reduce your carbon footprint.

PROPANE
EXCEPTIONAL ENERGY®

Reduces toxic Green House Gases (GHG) by + 30%.

96% **reduction in toxic carcinogens** emissions in the air.

Propane **burns cleaner.** No carbon build-up on valves.

Reduces the **carburetor maintenance** due to poor fuel.

Extended oil life means less time changing oil and filters.

Not subject to **“Ozone Action Days”** (No lost labor hours) www.stateoftheair.org.

Metro Lawn
Propane Conversions

No spillage during fill ups (unlike gasoline).

No shrinkage (employees cannot “borrow” propane to run their personal vehicles).

No spoilage propane wont go bad (unlike gasoline)

Propane averages 10-15% less expensive than current gas prices.

97% of propane is **domestically produced**.

No storage problems from ethanol resulting in less repairs and Maintenance

Unlimited Shelf Life on Propane/30 Days Gasoline

Extends Engine Life
